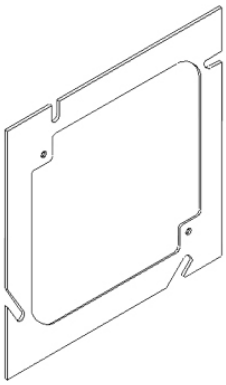
RANDL INDUSTRIES, INC.

Making Communications & Fire Protection More Reliable and Cost-Effective!



Product Specifications:

Product Number N-54000
5 SQUARE® x 4 Square Outlet Box Ring

Product Description:
5 in. x 4 in. Square Outlet Box Ring

Raise/Depth:
Flat

Listing: **C UL US**
Patented

Benefits of the 5 SQUARE® Roomy Design:

- The **5 SQUARE®** patented backbox design provides an extension ring that reduces the opening to a standard 4 square
- The first fire alarm backbox created explicitly for flush mounting of fire alarm signals
- The **5 SQUARE®** boxes provide up to 88cu in. of interior volume, more than double that of most existing boxes
- Saves hours of troubleshooting time on ground faults and short circuits
- Proven to be effective at reducing installation costs and time
- Proven to be able to allow pass-through conductors, which may reduce conduit
- Can be used on all fire signals, thereby creating an easily upgradable system for owners - with tremendous future cost savings!
- Proven to truly make the easiest and most cost effective installation possible when using oversized voice evacuation signals
- Designed by professional installers
